O R D E R

Before: NORRIS, DONALD, and THAPAR, Circuit Judges.

Gary M. Northington, a *pro se* Michigan prisoner, moves the Court to reconsider its order of January 8, 2021, denying his motion to proceed *in forma pauperis* (“IFP”) on appeal.¹ *See* Fed. R. App. P. 24(a); 6 Cir. R. 27(g). Northington also moves to remand the action for a hearing on his proposed second amended complaint.

Upon careful consideration, this Court concludes that it did not misapprehend or overlook any point of law or fact when it denied Northington’s IFP motion. *See* Fed. R. App. P. 40(a)(2).

Accordingly, Northington’s motion for reconsideration is **DENIED**. His motion to remand is **DENIED** as moot.

ENTERED BY ORDER OF THE COURT

Deborah S. Hunt, Clerk

¹ Northington captioned his filing as a “motion for rehearing en banc,” but a ruling on a preliminary procedural motion is not a proper subject for en banc consideration. *See Krakoff v. United States*, 431 F.2d 847, 848 (6th Cir. 1970).
